NOMINATION REPORT : 2026 NATIONAL AGM

As decided in 2025, the National Board of Directors is comprised mainly of Branch Presidents, or their designated alternates, mandated to review and decide on NAC matters brought to the Board for National NAC attention and action. This has enhanced the National Board's effectiveness in its responsibility for liaison with all Branches on matters of national importance.

If there is any member not listed below who wishes to be nominated for the National Board or one of its committees, we welcome hearing from you or your Branch Executive for consideration at any time during the year.

For 2026/2027, the resulting slate of Director nominations from the Branches, and select others, are presented for approval:
